

Driving to the Alps

From Calais, follows signs to Reims, Dijon, Lyon, Albertville, Moutiers. Once you have arrived in Moutiers, you will begin your climb up the mountain.

Directions from Moutiers

Leave the N90 at Moutiers following signs to Les Menuires, Saint Martin de Belleville and Val Thorens. The road will wind its way up past Saint Martin de Belleville and you will then arrive at Les Menuires. Drive straight through Les Menuires following signs to REBERTY, also known as Reberty 2000. You will pass developments of Bruyeres on your right, as you pass through a series of bends. Carry on past the apartment building of Reberty 1850, and you will also pass a sign for L'Ours Blanc Hotel and Restaurant. After another bend you will see a sign "Garage des Pistes". Nearly immediately after this sign, you will see a large wooden post with LA FERME de REBERTY. *(If you have reached MGM Apartments or club Med then you have gone too far)*. Turn immediately right into the village and follow the one way system around. At the junction (on the right is underground parking) turn left and we are the third chalet on the right hand side.

Once you have arrived, please make yourselves known to Francesca and / or Steve who will let you know where you can park.
