### **Independent consumer recognition for excellent service**

Powder N Shine are delighted that Chalet Flocon des Neiges is one of only 506 reviewed accommodation (out of over 11,300 in the Rhone Alpes region) awarded a Trip Advisor Certificate of Excellence for 2014. Furthermore it is one of only 311 in or near a ski resort.

At present the consumer led rating website lists over 11,300 reviewed accommodation (chalets, hotels, B&B etc...) in the Rhone Alpes region and just 506 have had consistently high reviews allowing them to qualify for the ultimate Trip Advisor distinction. This places Powder N Shine's Chalet Flocon des Neiges in the top 4% of accommodation in the Rhone Alpes region, which is one of the largest in France.

Co-owner of Powder N Shine Francesca Pangli commented " We have always taken great pride in offering guests the very best in terms of accommodation, food and service. Steve and I are in resort throughout the season and really enjoy meeting guests old and new. We are passionate about the mountains and love sharing our knowledge, built up over many years of skiing and boarding in the Three Valleys and beyond. However, the most important thing is that guests have a memorable holiday that they will enjoy re living for years after. We focus on them, their skiing, their happiness and their comfort. Nothing is too much trouble" It's no coincidence that many guests become Facebook friends with Francesca and Steve on their return home.

Powder N Shine have three catered chalets in, or near, Reberty Village (Les Menuires). For the 2014/15 season each chalet has a chef that has recently worked in prominent role in a Michelin starred restaurant (in one case, at Petrus, a two Michelin starred restaurant) ensuring that breakfast, afternoon tea and dinner are truly memorable occasions rather than mere fuel stops.

#### **Notes for Editors follow**

Powder N Shine is privately owned by Steve and Francesca Pangli (seen below) and has been operating since 2009. The company is fully bonded through ABTOT (No 5224) and operates three high quality catered chalets in Reberty Village. All are truly ski in, ski out. A week, fully catered at Flocon des Neiges leads in at £410 per person, per week, fully catered in early December.
